By Commissioner Bhamo's letter forwards for sanction the draft section bye laws prepared by the Shikarpur Town Municipality & states that the draft has been duly published as per rules thereon.

A copy of the bye-laws adopted for the Kapda mil Council is herewith put up. The following points seem require notice

draft bye-law:- Emphasis is laid upon the roads in which the dutiable articles should come. The usual procedure is to levy duty on articles that come into the town whatever the manner of coming may be.

Bonded warehouses:- Rules for the working of these houses have not been framed but power is taken by the municipal Council for the purpose.

As in the case of other municipalities in which section bye-laws are in force these rules must be clearly laid down otherwise they may lead to misuse.
